

KEEP Collective & CPAWS Fundraiser!

What is Keep Collective?

Keep Collective a company that strives to empower people to focus on what really matter in their life through personalized jewelry! The interchangeable design system allows you to create your one-of-a-kind piece to represent your one-of-a-kind life!

Carolina Pet Adoption & Welfare Society has coupled with Keep Collective to bring awareness to the real issue animals in need, while raising funds for CPAWS!

From February 8th through February 16th, CPAWS will receive 100% of the commission of all Keep Collective's keepers (bracelets) and keys (charms) purchased through CPAWS fundraiser!

What is the Carolina PAWS?

We are a network of concerned Carolinians devoted to helping abandoned and abused animals find loving homes. Please take a look at our available pets. You might just find the perfect new addition to your family!

How to design YOUR one-of-a-kind Keep Collective Piece!

Here are the simple steps to create your unique design, whether it be for your child, for a gift, or even yourself!

The Keys (charms) simply slide on to the Keepers (bracelets) in any order you like! These are just a few examples of the hundreds of Keepers and Keys available! For the full selection, simply go to:

keep-collective.com/with/amyfoster

1. Select your Keeper! The silicone wear well, especially for younger children. Our leather Keepers are 100% leather and are reversible! It is like having 2 bracelets in 1! We also have mesh Keepers and necklaces online!

2. Select your focal point! Which Animal key best speaks to your heart? What message do you want to remind yourself of and also send in to the world?

3. Choose your accent keys! From birthstones, to sports, letters and luxe stones Keep has just about everything! Use the accent keys to make it YOUR piece!
